

12th Atmospheric Limb Workshop

Tuesday, 23 May 2023

Assimilation of limb products, and synergistic exploitation (09:10 - 10:30)

time	[id] title	presenter
09:10	[71] GEOS Constituent Data Assimilation beyond Aura MLS: Assimilating NASA SAGE III/ISS profiles of stratospheric water vapor	WARGAN, Krzysztof
09:30	[98] Ozone CCI : recent science results and planned algorithm developments using limb/occultation data	HUBERT, Daan
09:50	[46] The SWOOSH version 3.0 data set: Updates, their implications for variability and trends, and preparing for the loss of the Aura Microwave Limb Sounder	DAVIS, Sean
10:10	[61] Studying transport and chemistry with the Stratospheric Composition Reanalysis of Aura Microwave Limb Sounder	WARGAN, Krzysztof
